October, November, 2000

Thank you so very much for your prayers for us this month. The Lord has truly worked wonders among His people.

Several of the people in the church at EMILIANO ZAPATA have been healed of flu-like symptoms. Many more have been healed during door-to-door ministry. There is a definite move of God now in this city.

Last week, Pastor Roberto Cruz prayed for a lady who was an invalid in a wheel chair. She was healed instantly, and several came to Jesus in her home. Dozens have been saved over the last month or so by simply going to their homes.

A preacher told me over 25 years ago that we need "20/20 vision", because Acts 20:20 says they, "TAUGHT PUBLICLY AND FROM HOUSE TO HOUSE". In every city and village where we have raised up churches, that is exactly what we do. We are not ashamed of Jesus or His gospel.

Bud is still working on the book he feels the Lord wants written. Hopefully it will be ready by year's end. Please pray that God will grant wisdom to complete it. It is in Spanish, of course.

* * * *

There are several crusades coming up in the next town months -- in CHIAPAS, CAMPECHE,

and in TABASCO, and also in QUINTANA ROO very soon. Please keep us in your daily prayers, as the highways are terrible now after all the tropical storms.

Also, please keep our kids in prayer, as they are planning to record their second Spanish worship tape/CD while we are in TABASCO. They will also be leading worship in the ZAPATA crusade. We do not yet know all the areas we will be ministering in, but we do know that it will be awhile before we will be able to write you another prayer letter. Please remember us in prayer -- especially over the next two months. We ask that you agree together with us for a great harvest of souls for God's kingdom. Time is very short, and we must work while the door is still open. There are signs even now from the new government that things will soon become much more difficult.

We thank God for your prayers, your love, and your support. We really are fellow-laborers in His harvest.

Yours in His work,

Bud, Rita, & family
