Dear Brothers and Sisters in Jesus:

The Lord has opened so many new doors of opportunity for ministry that we wanted to share some of them with you.

The people of God have become weary of all the hype and promises of "instant wealth" and so-called "prosperity" being poured upon them by those who are more interested in what they can get rather than how they can serve. The love of God must be the great motivating factor in our lives, and when combined with God's timing in the matter, will ALWAYS BRING BLESSINGS WITH IT.

This past year, we have been able to help a very substantial number of people with food, clothes, Bibles, and other necessities. NONE of it would have been possible without people who care for others more than themselves. Souls are being won to Jesus every week because of it, and only the Lord knows the total number of people who have been delivered from sin.

The Word of God is very clear - we reap what we sow. Those who sow for the salvation of souls in other lands can expect salvations in their own houses. Those who give to see the Gospel preached can expect to be taken care of in the coming economic and social turmoil.

I was ministering to a lady from Guadalajara just last night, and she commented on how so very blessed the people are in this country WITHOUT EVEN REALIZING IT. We must come to a renewed thankfulness to God for His Grace and Mercy upon us. Not many people have been as blessed as we have during the last twenty-five years.

We are so glad to be able to tell you that the water from hurricane Isadore has finally gone down. Pastor Eutimio Morales in ESCARCEGA, CAMPECHE, will be having evangelistic meetings this month for the first time in several months. We have also had good reports from JOBAL, CHEKUBUL, and PLAYA LARGA, although it may be many months before the roads are really in good shape to travel on.

We want to thank you so very much for praying and supporting the churches and the Gospel meetings we have held throughout this year. There have been several new missions started as a direct result of your love for souls.

*May the Lord grant you a blessed 2003 and an increase in your fruits for His Glory.
God bless all you do for His People.*

Love in Jesus,

*Love, Bro. Bub, Rita, Scott
