Dear Saints:

January 2003

We would like to thank you so very much for your prayers for the churches and missions, and also for those of you who have helped us to preach His Word throughout 2002 in so many places. Just as we have printed on each receipt you receive, "But as his part is that goeth down to battle, so shall his part be that tarrieth by the stuff; they shall part alike" (1 Sam. 30:24). David knew that it was just as important TO BE SENT, AS TO GO. There's no way God's Word could've been preached so freely and thoroughly without the financial support of those who truly love souls.

Again this year, as in each year past, the Lord has spoken very specific things to us concerning the new year and beyond. There are some very big events coming forth- some even very frightening to the fearful and unbelieving. We're certainly not the only ones seeing these things- many, many praying people have shared some of the same visions with us. We no longer mail these prophetic words to everyone, but we share them with those of like vision who love winning the lost.

Jesus said there were many widows during Elijah's time, but God sent him to only one. He said there were many lepers during Elisha's time and God only sent him to Naaman, who was a Syrian. There are many "curious" people, who love to see what someone else thinks God is saying, but who refuse to put His Word into action. God is interested in spiritually hungry people- Amen?

We have a new mission just upriver from CHABLE, in the village of JOBAL. Many of these people have been coming up the Usumacinta River on Sundays to attend church at the EMILIANO ZAPATA church. They spend over a half day taking a boat upriver, then storing the outboard to keep it from being stolen, then going home late Sunday night after the service is over. We're now having mission services for them each Friday evening. Thank the Lord for vehicles! During the rainy season, the Usumacinta is very dangerous, also, as it is often out of its banks.

Please keep us in prayer, as we have very good possibilities of crusades in several cities in the next few months, including February.

We pray God's Grace and Mercy will follow you throughout 2003, and that God will richly bless you in all you do for his work.

Yours in His Service,

Paul, Rita, & family

P.S. If you'd like a brief copy of the prophecies/visions we've received for 2003, please request it.
