Greetings in Jesus' Name!

Does it seem to you that our "Jolly Holidays" get a little less jolly every year? It seems like every year throughout the "shopping season" we see less and less patience, less caring, less thankfulness, and worse drivers!!

It looks more and more like kids and adults as well, who grew up in this country and other countries as well, who have everything they want handed to them, become less and less thankful and want more and more! They think everyone owes them something.

Many have whatever they want just handed to them and they get less grateful every time!

Notice if you see the news or read the paper how many times we hear what "the Holidays" or "X-mas" is **really** about! They love to leave God out! People are taking God more and more out of their daily lives and activities.

We who are Christians must raise up a standard and be a **real** witness for the people and family around us. In II Timothy 3:2, we see **unthankful** listed right along with disobedient, unholy,

covetous, etc. People who are unthankful and ungrateful will not receive God's blessings!

They will always be lusting after faster cars, fancy clothes, bigger big screen TV's, fill in the blank!

It is anything that will attempt to satisfy their flesh so people will

look at them and see what a great person they are. But God is the only one who can satisfy that longing in their souls.

Let's be **real** examples when we gather with our friends and family this year and put the Lord first in all that we do. His word promises to supply **all** our needs! Did that leave anything out? I didn't think so!

News

The family will be in southern Mexico in Tabasco and Chiapas over Christmas holding two crusades. Please keep all of us in

your prayers. We will be in **Emiliano Zapata** at the "Cattleman's Association" meeting hall December 23-25, then in Jobal, Tabasco, December 26-28 on the school grounds. Both of these crusades are "area wide" meetings with many churches participating. We would appreciate your prayers for these meetings, especially for a great harvest of **souls**.

The van we purchased for the ministry in Tabasco suffered a blown engine in early December. Brother Roberto found another engine, and we are in the process of getting the necessary finances to purchase it.

The Lord has allowed us to do many things this year, and for that we are grateful. We have been invited to do many more crusades than we could possibly be able to
