September 2003

Greetings in Jesus Name!

Thank you so much for your prayers and support for this ministry. It makes such a big difference when God's people are praying and interceding for His work. We want to see "His power and His glory," (Psalm 63:2), and a "demonstration of the Spirit and of power" (I Corinthians 2:4)!

It seems like everywhere we look we see books on the "end times." It also seems to me that most of them are fictional! I ask, where are the changed lives? Where is the glory of God falling on people when they read this stuff? Is it teaching us to walk after the Spirit? Are you closer to the Lord after reading it? We happen to have the greatest book on the end times ever written, called the Bible, God's Word! God will reveal things to His people about the end times through prophets, pastors, or whoever He chooses, but it is not "fiction." It is easy to get wrapped up in things that are a product of a person's imagination. Because we are living in the last days, we need to be careful what we feed our spirit with. We need to be Philippians 4:8 people.

Mexico Trip

With the Lord's favor, our family will be going to Mexico on September 8. We covet your prayers, as we will be getting paperwork in order to give a pickup truck to Brother Roberto Cruz. The rest of the family will return home and Scott will continue with Roberto Cruz and Dustin Parker, and drive the truck to Tabasco that week. We are asking for special prayer for this trip, as this is very much a "by faith" trip. We are stretching ourselves beyond "natural limits" and taking down things that we would not ordinarily take. Among those things are many better quality Bibles, some giant print Bibles, clothes, food, tools, etc. We need special prayer that all of these things arrive safely in Tabasco. Last time we drove down, we passed 16 checkpoints along the way, where Mexican Army, immigrations, and federal Judicial Police were checking for drugs and arms. Most are not very kind to Americans and we will have two Americans, a Mexican national, and a truck with American plates with Mexican registration! Also, please pray that the Lord will

pour out His Spirit in the crusades we will be holding. We are praying for an abundant harvest of souls, and for the Lord to confirm His word with signs following.

Right now crusades are planned for September 11-14 in Emiliano Zapata, Tabasco, and in Jobal, Tabasco.

In the next few month's newsletters, we will be sharing some of the miracles and events that have happened with this ministry, beginning in the early 80's, and how those people and churches are doing today. We believe this will better help you to see and understand what this work is all about.

May the Lord's blessings be on you and your family,

The McDonald Family
