December 2004

Feliz Navidad!

Greetings in the Name of our Lord and Savior Jesus Christ as we enter this time of the year - families coming together, sharing and fellowshiping with loved ones. We are at a time the world system looks at as "The Holidays." A time when we "get things", when Santa Claus replaces James 1:17 (every good and every perfect gift comes from above), and where ungratefulness abounds much more than a grateful and thankful heart.

We have spent many Christmases in Tabasco and Campeche where a turkey sandwich, cokes and beans were the very best available. The amazing thing is you can not tell the difference between them and a real Christian home in the USA. There is joy, peace and love just like in any other Christian home. Luke 12:15 - "A man's life consisteth not in the things he owns."

This year our family will be celebrating Jesus together and the awesome love and blessings He has poured out on our family. We pray you will be also.

Christmas Day in the evening, Scott, Rita, and Jenny along with Dustin and Alicia Parker will be leaving for Mexico to hold meetings in several towns in the states of Campeche and Tabasco. We will return early January. Keep us in your prayers.
