December 2005

Greetings in Jesus Name!

The last few weeks have been very busy for us as we make final preparations to move our home and ministry to the Dallas/Fort Worth area. We're asking for much prayer for us in that area that God would direct us to the place He wants us to live.

I had the honor the first week of December to join a group of men from Gateway Church in Southlake, Texas on a trip to Guatemala. We were able to help some churches in the West-Central mountains near the Southern Mexico border with building projects and meetings. Many souls were saved on the trip. We worked mostly with the Izchil Indians who live in around 90 villages in that part of Guatemala. It was a great blessing to see many towns with over 20 percent of the population saved and active in church. A man of God named Mike McCombs has labored there for more than 12 years and has seen a great harvest of souls.

We will include pictures of that trip and a couple of upcoming trips along with testimonies in a special newsletter the end of January.

Prayer Requests and Schedule

Christmas Day through New Years Day Scott will be preaching crusades in Cuyo de Guadalupe and Jobal, Tabasco and a church-wide crusade in the civic meeting hall at Playa Larga, Tabasco. Please be in prayer and intercession that God would confirm His Word with signs following and many souls would be saved.

January 11-16 of 2006 we will be in Mexico with the family preaching meetings and visiting with some of the church leaders and crusade teams. The team will include, Dustin and Alicia Parker along with baby Isabel, Scott, Rita and Jenny McDonald and Paola Guzman. Please pray with us for safety, favor and anointing for this trip.

Finally, it is a little early and the dates will not be set until mid January, we would like for you to be in prayer for an extended trip Scott is preparing to take from early March into April of 2006. It will include at least 3 crusades in Southern Mexico and 3 or 4 crusades in far Eastern Guatemala near the border with Honduras. Much more may happen on that trip but we will follow the leading of the Lord as those days get closer. This will be a driving trip so your prayers will be **greatly appreciated!**

This is a huge push for us and to our natural eyes looks impossible. But we know that with God "**All things are possible!!**"

Please be open to the leading of the Spirit in your prayers for these trips, *even if you are called to fast a while* (if that's what God lays on your heart!!!)

This summer the Lord put in Scott's heart to began to publish some of the messages he has preached in the last few years. We will be mailing or emailing those out starting in January of 2006. Most of these messages are a part of a book/study guide that Scott is half through putting together called "*Basic Christian Living*". We believe that not only will these messages be a blessing to the body of Christ, but it will also give you more of

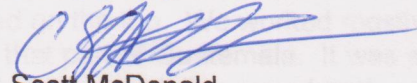

a look into our heart and vision. We can be 60 years old in the things of the Lord but we will always have to live out the basic message of the Gospel. Messages will include "Overcoming our Past", "The Heart of a Servant", "Giving, Receiving and Blessings", "Obedience", "The Rat Race (Can We do too many Good Works?)", and many others.

If you know anyone who could benefit from these and our newsletter, please write or email to let us know.

As soon as we are settled in our new home and office the next thing the Lord has laid on our heart is to publish, in study guide form, the series of teachings Dad put together on "Child Training". This is a long detailed series of messages that has been a great benefit to hundreds of families. We will possibly be able to distribute a CD audio series on this teaching also.

Our prayer is that you have a very blest time this Christmas and New Year. No matter if you are with family or you have to be separated from them during that time, let God touch your heart and renew your fire, vision and passion for souls in 2006.

In His Work,

Scott McDonald

PS We will give everyone plenty of notice when we change our address and we will keep the La Grange address active for a good while after the move.
